MINUTES OF DEPUTY DIRECTOR (SUPPORT)

STAFF MEETING

29 May 57

25X1A6a

1. Mr. [REDACTED] of the Office of Current Intelligence supplemented his previous run down on Soviet plans for reorganization by comparing the old organizational structure of Soviet Industry and Construction with the new set up. Mr. [REDACTED] also commented briefly on the unsettled situation in Cuba and Haiti.

2. Mr. [REDACTED] of the Office of Logistics gave an interesting presentation on the Agency's classified contract security procedures and problems, including the nature and extent of industrial security inspections.

3. Colonel White advised the group that Admiral Connolly, who is a member of the Killian Committee, recently spent several days conferring with Agency personnel and has indicated that he is very much impressed with improvements he feels have been made in organization and efficiency of the Agency since he was here three years ago with the Clark Task Force.

4. Recently there have been instances where Offices do not follow the procedure prescribed in the 30 June 1956 memorandum regarding coordination of Regulations. The steps outlined in the 30 June procedure should be adhered to and Offices should not attempt to coordinate drafts of Regulations on their own without prior submission to the DD/S.

5. Office Heads and Staff Chiefs were reminded that any nominations for foreign travel under the Area Familiarization and Survey Programs should be submitted by 1 June.
